

# Predicting Subscribers

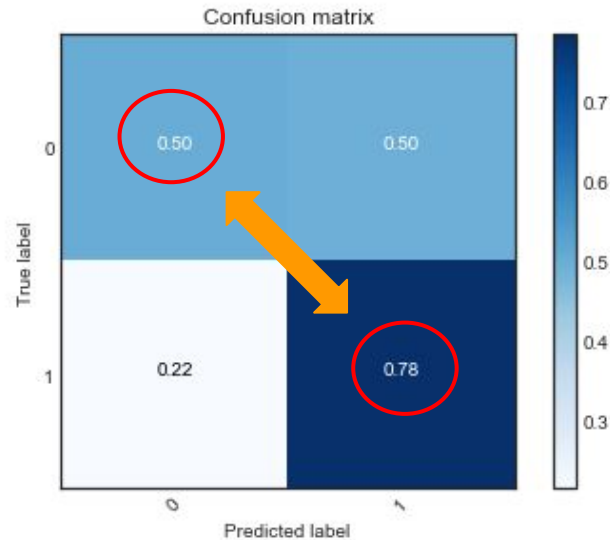

*The Good, the Bad, and the Unknown*

# What we already know...

# Can we predict who will subscribe?

# Can we predict who will subscribe?

Influence on Subscription

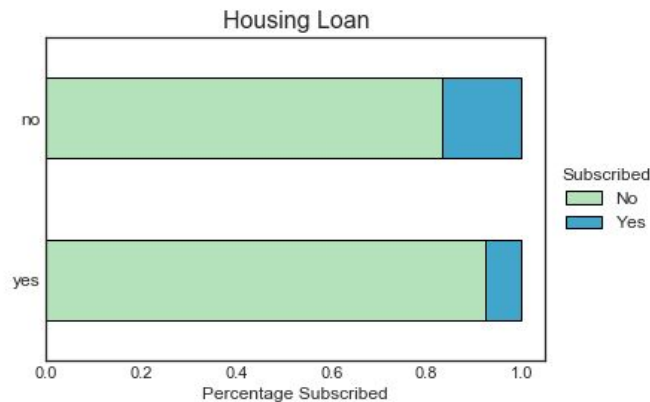

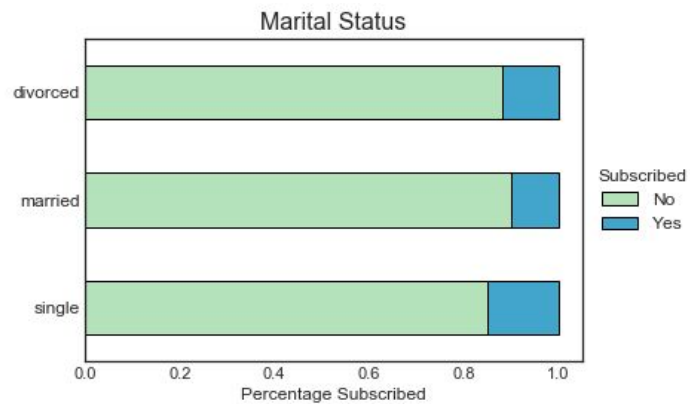

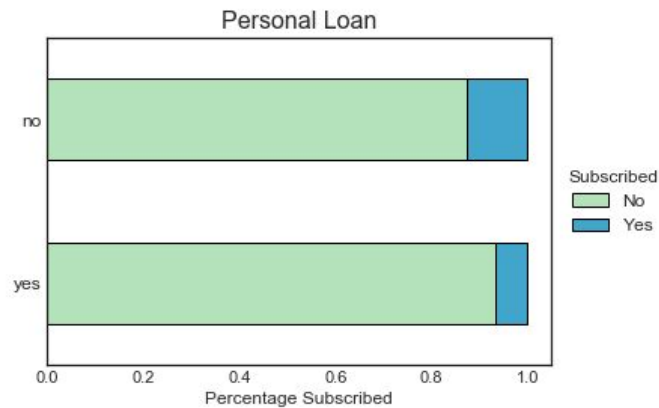

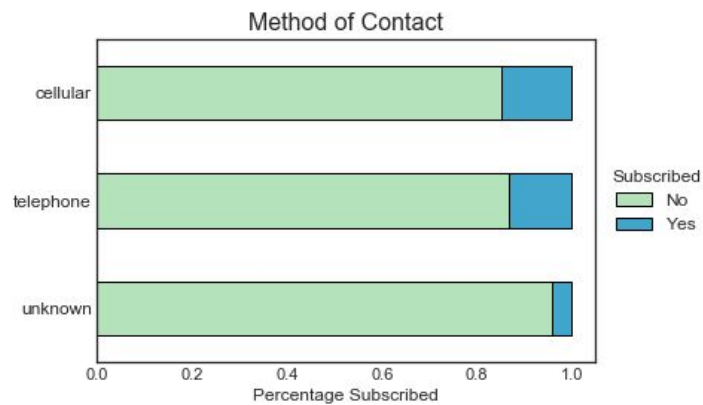

Number of Times Contacted During Campaign

Bank Account Balance

Subscriptions by Month

Subscriptions by Day

# Improve Term Deposits

## **Better Target Potential Subscribers**

- Those who previously subscribed
- New customers *classified* as potential subscribers.

## **Improve Classification**

Include questions in future campaigns to better predict subscribers

**Thank  
you**
